

LA Galaxy Vs. Columbus Crew

Wednesday, May 25th

In May OTS attended the Los Angeles Galaxy soccer match at the 125-acre Home Depot Center in Carson, CA. Patricia Rey, OTS Grant Coordinator for LA County, was invited onto the field with the Crash Test Dummies for the traditional Galaxy team photo before the start of the game against the Columbus Crew.

Young fans are always excited to visit the OTS booth and share what they know about traffic safety (and walk away with a fun prize like a glow keychain or tic-tac-toe board!). Whether it's riding a bike, crossing the street or riding in a booster seat, kids understand that safety comes first!

OTS and CHP often partner together to reach out to sports fans with traffic safety messages. Here, local CHP Officers Armando Clemente, Tomeikia Johnson and Armando Perdermo take a break from interacting with Galaxy fans to smile for the camera.

Vince and Larry, the Crash Test Dummies, make sure to remind everyone to "Click It or Ticket." Since seatbelt fines have tripled, it's more important than ever to buckle up every time you get into a vehicle or risk a large fine. Maybe these "dummies" are smarter than we think!
